

## **FACULTY DETAILS**

### **Faculty Name:**

**KARTHIK H D**

**Assistant professor in Computer Science & Engineering**

### **Education Details:**

- M.Tech ( Computer Network Engineering)

### **Contact Details**

**Email ID:** karthkhd23@gmail.com

### **Professional Experience**

#### **Teaching Experience:**

- Working as Assistant professor in CSE Department, AIT from October 2021 to till date.
- Worked as Assistant professor in CSE Department ,Dr.SMCE from November 2019 to October 2021
- Worked as Assistant professor in CSE Department, AIT from September 2017 to November 2019.

### **Publication Details:**

- “A Novel Approach On Design of Multimodel Information Evaluation system Based on unsupervised Learning”\” , 1<sup>st</sup> IEEE Internation Conference on Multidisciplinary Research in Technolog and Network and Management-MRTM 23, Sep 2023.

### **Roles and Responsibility**

- Social Connect and Responsibility coordinator from September 2022 to till date.
- Project Guided: 4 on UG level,1 on PG level
- Working in NBA Accreditation of the department
- Project coordinator

### **Achievements:**

1. Successfully completed AICTE-VTU Joint Teachers Training Program on “Fundamentals of Data Science & Analytics”
2. Participated in National Faculty Development Program on “Learning for NLP and Computer Vision”
3. Participated as a Delegated in the two days Workshop on “ADVANCE STORAGE AREA NETWORK AND INDUSTRY PERSPECTIVE” conducted at AIT, Tumakuru.
4. Participated as a Delegated in the one day Workshop on “ADVANCE IN ARTIFICIAL INTELLIGENCE AND AGENT TECHNOLOGY” conducted at KIT, Tiptur.
5. Presented a paper titled “SURVEY ON ONE TIME PASSWORD FOR DA HOC” in International Conference(ICIRT).
6. Successfully Completed Course on Software Testing.
