Department of Electronics & Communication Engineering

Report on Inauguration of “ECE TECH-NERDS CLUB” & Technical Talk on "Shaping Tomorrow: Opportunities in Electronics and Communication Engineering"

Date: 18.10.2K25

The banner features a light gray background with a subtle pattern. At the top, it displays the Akshaya Institute of Technology logo on the left and the ECE Tech-Nerds Club logo on the right. The central text reads "Akshaya Institute of Technology" in a bold, black font, followed by "DEPARTMENT OF ELECTRONICS AND COMMUNICATION" in a smaller, black font. Below this, the word "Inauguration" is written in a large, elegant, cursive script. To the left of the main text, there is a section titled "Events:" with a light green background, listing "Logo launching" and "Technical Talk". To the right, a section titled "Guest:" with a light purple background lists "Surajit Bhattacharjee [Senior lead Engineer Qualcomm, Bangalore]". Below the main text, there is a section titled "Patrons:" with a light red background, listing "Dr. Shivkumar K.S. Hon. Chairman AIT, Tumkur", "Dr. Shobha S. Hon. Secretary AIT, Tumkur", and "Dr. Yathisha L. Principal AIT". To the right of the patrons, there is a section titled "Convenors:" with a light green background, listing "Dr. Somshekhar G.C. HODECEAIT". At the bottom, the text "Venue: Radha krishna auditorium 18/10/2025At - 10am" is written in a cursive script. The banner is decorated with various logos, including the Akshaya Institute of Technology logo, the ECE Tech-Nerds Club logo, and the AIT ECE Tumakuru logo.

Report on Inauguration of “ECE TECH-NERDS CLUB” & Technical Talk on "Shaping Tomorrow: Opportunities in Electronics and Communication Engineering"

Event Type : “ECE TECH-NERDS CLUB 2K25” Logo Launch and Technical Talk

Event Date / Duration : 18.10.2025 @ 10:00AM to 3:30PM

Guest & Resource Person : Mr.Surajit Bhattacharjee, Senior Lead Engineer Qualcomm ,Bangalore.

Names of Coordinator : Prof.Pradeep kumara V H & Prof.Arshiya Ruheen

Target Audience : All sem, B.E., Students of ECE Department.

Total no of Participants : 200

Venu : Radha Krishna Auditorium

Objective of the event : To unveil the new “ECE TECH-NERDS CLUB 2K25” emblem, representing innovation, teamwork, and the department’s technical spirit.

Description/Report on event:

The primary aim of the **ECE Tech Nerds Club**, organized by the **Electronics and Communication Engineering Department at Akshaya Institute of Technology, Tumakuru campus**, is to cultivate and showcase the innovative abilities of students. The club serves as a dynamic platform for students to present their ideas and gain valuable insights from industry experts. It provides exposure to cutting-edge technologies currently employed in the industry and highlights the latest global advancements and innovations. This initiative offers an excellent opportunity for students to understand the current landscape of information technology and to engage with professionals who have specialized expertise in this field.

Outcome of event :

The ECE Tech Nerds Club is to foster innovation, technical knowledge, and industry exposure among students, enabling them to showcase their ideas and develop skills aligned with the latest technological advancements.

1. Encourages and nurtures student innovation and creativity in electronics and communication technologies.

2. Provides exposure to industry trends and emerging technologies through expert interactions and workshops.
3. Enhances technical knowledge and practical skills through collaborative projects and events.
4. Fosters a culture of teamwork, leadership, and professional development among members.
5. Bridges the gap between academic learning and industry requirements, improving career readiness.

The inauguration of **ECE Tech Nerds Club**, was held on **18th October, 2025**. The club was intended for the students who aspire to gain the knowledge and application development in various platforms.

The inaugural ceremony started with the formal welcome of the dignitaries and students by **Dr. Somashekar G C (H.o.D of ECE)**. He addressed the audience about the club. **ECE Tech Nerds Club**, is the first club to be organized in the college which encourages the students to come up with innovative ideas and also helps in enhancing their skills in various areas.

Dr. Yathisha L principal gave us a short speech regarding the club and its activities which includes the inauguration of logo. He appreciated the idea of the club and department work.

Inauguration for the Tech Nerds Club 2K25

Audience for ECE Tech Nerds Club 2K25

Then **Prof. Pradeepkumara V H, Assistant Professor Dept. Of ECE** a Club Coordinator of the club took the initiative to explain the importance and objectives of the club. The reason behind the idea of the club is to develop the skills that will benefit students in future. Skills like leadership qualities, work ethics, effective communication, Project development , Hackathon Program and being able to work successfully in a group, etc.

The further session was followed by **Mr.Surajit Bhattacharjee, Senior Lead Engineer Qualcomm ,Bangalore**. Emerging opportunities include designing 6G networks, AI-enhanced signal processing, IoT device development, renewable energy systems, and healthcare innovations through telemedicine and wearable technologies.

ECE offers diverse career paths across telecommunications, embedded systems, aerospace, and research, equipping professionals with a blend of theoretical and practical skills to innovate and shape global technological progress

In the end, **Prof. Arshiya Ruheen, Assistant Professor, Department of ECE**, proposed the vote of thanks, expressing gratitude to the speakers and participants for making the Tech Nerds Club event a success.

Dr. Yathisha L, Principal of AIT, Tumakuru, graced the Tech Nerds Club event as the chief guest, inspiring students with her insights on innovation and technology. He emphasized the role of student-driven initiatives in shaping future-ready engineers.

Dr. Somashekar G C, Head of the Department of Electronics and Communication Engineering, addressed the audience and spoke about the **ECE Tech Nerds Club**. He mentioned that this is the first club to be established in the college with the objective of encouraging students to come up with innovative ideas and helping them enhance their skills in various technical domains.
